Watch out here comes crazy. My brain damaged self immediately thought up some scenario where they become soldiers- 10 foot tall that can spin webs and grow more limbs as needed- silly rabbits what comes next?

Stephen Yantorn 12d ago

mess with natural evolution of living things will probably bring down mankind. we'll make something that will get out of control.

DARKMATTER115 12d ago

Not wrong if it helps save lives. Limb and organ replacement, help paraplegic walk when not possible.

Spade ♠ 12d ago

The last time someone conducted an experiment, it shut the world down for two years and killed millions of people.

Clarice Breithaupt Hollingsworth 11d ago

Ok I'm not sure how I feel about this .. I'm a nurse but I think some things are meant to be left alone .

Brian Morgan 9d ago

Colossians 2:8

Brian Morgan 9d ago

Gors to show the media will print anything they can to damage reality and make things more weird than they are already.

D

Danny Bieber 9d ago

creepy!

Guest 10d ago

You realize this is not real, it is a science fiction story?

Guest 10d ago

Hilarious! Popular Mechanics just picked up on this "story" HAahaha.... 6 years after the hoax.

skunk weed 12d ago

a talented biologist, a doctor Frankenstein

A

Allen Cobb 12d ago

Maybe your monster will come into your bedroom while you sleep n poof.

spyder 12d ago

These people are playing God, and that's not a good thing.

GENGHIS KHAN JR. III 12d ago

Frankenstein

Julia Oxenreider 12d ago

raw bacon n chicken wings

Purplewings 12d ago

How old is this article? It says..."expects to print a working liver by 2014."

Fvck_Libertards 12d ago

New age liberals in their natural state
